

## *S'Mores on a Stick*

---

22 Marshmallows

22 Toothpicks

2 teaspoons butter

4 Hershey bars, regular size

1 cup crushed graham cereal bits (leave some chunks)

Take 4 chocolate bars, break into pieces. In a 1 cup glass measuring cup, melt chocolate pieces with 2 teaspoons butter in a microwave on low for about 45 seconds. Chocolate will not be totally melted. Stir until the chocolate pieces are completely melted.

Stick each marshmallow with a toothpick, dip  $\frac{3}{4}$  of the way with the melted chocolate, roll in crushed graham cereal until chocolate part is coated. Let sit on waxed paper or recycled aluminum foil or plate for up to 24 hours. Cover after semi-firm to keep fresh.

You are saving the environment by not building a fire and polluting the air!
